

Curriculum Vitae

Personal Information

First name Farin
Date of birth 17May1966
Marital status Married
Gender Female
Work address
Pediatric Neurorehabilitation Research Center
University of Social Welfare and Rehabilitation Sciences
Tehran IRAN
Post code: **1985713834**
Tel: +98 21 22180099
Fax: +98 21 22180099
E-mail: soleimani_farin@yahoo.com
Fa.Soleimani@uswr.ac.ir

Educational Background

1991-1994 Specialists in Pediatric, Medical School, Shahid Beheshti University of Medical Sciences and Health services, Tehran, Iran (with Board certificate)
Title of thesis: Evaluation of 120 Liver biopsy in pediatric wards of Mofid & Emam Hosein Hospitals.

1984-1991 MD, school of medicine, Shahid Beheshti University of Medical Sciences and Health Services, Tehran, Iran
Title of Thesis: Etiology and Complication Of Urinary Tract Infection in pediatric ward of Shohada Hospital.

2015-2016 Research Fellowship

Professional Training

May 2025 Scientific Chair of “The first national Pediatric Rehabilitation Congress”, USWR,Iran.

Jun 2022	Teaching and Design; Webinar on “ General movements: early identification of children at high risk for developmental disorders ”. (Scientific Workshop Director),USWR,Iran.
Oct 2019	Teaching and Design; National workshop on “ Bayley Scales of Infant and Toddler Development (Bayley-III) ”. (Scientific Workshop Director), Ministry of Health and Medical Education - Children's Health Office, Tehran, Iran.
Nov 2019	Teaching and Design; Webinar on “ General movements: early identification of children at high risk for developmental disorders ”. (Scientific Workshop Director),USWR, Tabriz, Iran.
Agust 2018	Teaching and Design; workshop on “ General movements: early identification of children at high risk for developmental disorders ”. (Scientific Workshop Director),USWR, Tehran, Iran.
Nov 2017	Teaching and Design; workshop on “ General movements: A window for early identification of children at high risk for developmental disorders ”. (Scientific Workshop Director),USWR, Shiraz, Iran.
Oct 2017	Teaching and Design; workshop on “ Bayley Scales of Infant and Toddler Development, Third Edition (Bayley-III) ”. (Scientific Workshop Director), International Pediatric Cong, Tehran, Iran.
Sep 2017	Teaching and Design; workshop on “ Bayley Scales of Infant and Toddler Development, Third Edition (Bayley-III) ”. (Scientific Workshop Director),USWR, Esfehan, Iran.
Oct 2016	Teaching and Design; workshop on “ Bayley Scales of Infant and Toddler Development, Third Edition (Bayley-III) ”. (Scientific Workshop Director), International Pediatric Cong, Tehran, Iran.
Feb 2011	Teaching and Design; workshop on “INFANIB Child Developmental Screening Tool”. (Scientific Workshop Director),TUMS, Perinatology Research Center, Tehran, Iran.
Nov 2011	Participation on Congress of Pediatric Infectious Association.
May 2011	Participation on workshop “Advanced Qualitative and Quantitative Research Method”. USWR, Tehran, Iran
May 2011	Participation on Seminar of New Vaccines.
Feb 2011	Participation on workshop “Knowledge Transfer”. USWR, Tehran, Iran.
Feb 2011	Participation on workshop“Advanced Search”.USWR, Tehran,Iran.
Feb 2011	Participation on workshop “Spss Software”. USWR, Tehran, Iran
Feb 2011	Participation in Second Seminar on Down syndrome.
Feb 2011	Participation on workshop “Course Planing”. USWR, Tehran, Iran.
Sep 2010	Participation on 8 TH National Congress of Pediatric Nursing.
Oct 2010	Teaching and Design; workshop on “INFANIB Child Developmental Screening Tool”. (Scientific Workshop Director), TUMS, Perinatology Research Center, Tehran, Iran.

Nov2010	Teaching in 4th workshop on “Developmental Care in The Neonatal Intensive Care Unit”. USWR, Tehran, Iran.
Nov 2010	Teaching in 4th workshop on “Oral-motor and Feeding skills Care in The Neonatal Intensive Care Unit. USWR, Tehran, Iran.
Sep 2010	Participation on Two-day workshop on “Social Determinants of Mental Health”.
Feb 2010	Participation on First Seminar on Down syndrome.
Sep 2009	Participation on One-day workshop on “Digital Library”.
April 2009	Teaching and Design; 4th workshop on “Developmental Care in The Neonatal Intensive Care Unit”. (Scientific Workshop Director), USWR, Tehran, Iran.
May 2009	Teaching and Design; 3th workshop on “Oral-motor and Feeding skills Care in The Neonatal Intensive Care Unit”. (Scientific Workshop Director), USWR, Tehran, Iran.
Jul 2009	Teaching and Design; 1th workshop on “Child Developmental Stages; Screening and Early Detection”. (Scientific Workshop Director), Shahid Beheshtie UMS, Tehran, Iran.
Sep 2009	Teaching and Design; 2nd workshop on “Child Developmental Stages; Screening and Early Detection”. (Scientific Workshop Director), Shahid Beheshtie UMS, Tehran, Iran.
Oct2009	Teaching and Design; workshop on “INFANIB Child Developmental Screening Tool”. (Scientific Workshop Director), TUMS, Perinatology Research Center, Tehran, Iran.
Oct 2009	Participation on Congress of Type I Influenza (H1N1).
July 2009	Participation on 2 nd Congress of Perinatology, Tehran, Iran.
Sep 2009	Comprehensive Iranian Child Developmental Promotion Program”.
Jun 2009	Participation on Ten-day workshop on “PNRC Strategic Planning”.
May 2009	Participation on One-day workshop on “Evaluation of Research Centers”.
Jun 2009	Participation on Two-day workshop on “Statistical using I”.
July 2009	Participation on Three-day workshop on “Statistical using II”.
Jan 2009	Participation on Two-day workshop on “END NOTE Software”.
Oct 2008	Teaching and Design a one-day workshop on “Pediatric Massage Therapy”. Tehran UMSHS. (Scientific Workshop Director)
Oct 2008	Participation on 20 th International Congress of Pediatrics, Tehran, Iran.
Oct 2008	Participation on one-day workshop on Grant
Jun. 2008	Participation on 12 days workshop on “Scientific Writing”.
April. 2008	Participation on 5 days International workshop on “GM Trust Course on Prechtl’s Assessment of General Movements (Basic Course)”. (Scientific Workshop Director)
Feb. 2008	Participation on Two days workshop on “Evidence Based Medicine (E.B.M)”.
Jan. 2008	Participation on 3 days workshop on “Clinical Research”.

Feb. 2008	Participation on Congress of Iranian Scientific Society of Perinatology, Imam Khomeini Hospital , Tehran, Iran.
Nov. 2007	Participation on Two-days workshop on “Creation of Iranian Children Development Comprehensive Program”, USWR, Tehran, Iran.
Oct 2007	Teaching and Design a one-day workshop on “Pediatric Massage Therapy”. Tehran UMSHS. (Scientific Workshop Director)
Oct 2007	Participation on 19 th International Congress of Pediatrics, Tehran, Iran.
Jun 2007	Participation on 1st Congress of Iranian Scientific Society of Perinatology, Imam Khomeini Hospital Symposium Center, Tehran, Iran. (Board of Scientific Director Committee)
Feb2007	Participation on Congress of Neurodevelopmental Spectrum, USWR, Tehran, Iran. (Board of Director Committee & Perinatology Subspecialty Committee)
Feb. 2007	Teaching and Board of Director Committee; The National workshop on “Early Intervention & Detection of Developmental Disorder”. (Scientific Workshop Director) , USWR, Tehran, Iran.
Feb. 2007	Participation on A three-day workshop on “ Research Method”, USWR Tehran,Iran(Advanced).
Jan. 2007	Participation on One-day workshop on “E-learning”, USWR, Tehran, Iran.
Jan. 2007	Participation on One-day workshop on “Elsevier 2007 Workshop”, by: Integrated Information Network, Tehran, Iran.
Dec2006	Participation in 3 th International Congress of Health, Medication & Crisis Management in Disasters. Tehran, Iran. (Board of Director Committee)
Nov 2006	Teaching and Design; Second workshop on “Developmental Care in The Neonatal Intensive Care Unit”. (Scientific Workshop Director) , USWR, Tehran, Iran.
Nov. 2006	Teaching and Design, The First workshop on “Developmental Care in The Neonatal Intensive Care Unit”. (Scientific Workshop Director) , USWR, Tehran, Iran.
Oct. 2006	Participation on A two-day workshop on “ Research Method”, USWR ,Tehran, Iran(Preliminary).
Oct 2006	8 th International Congress of Pediatrics, Tehran, Iran. (Board of Director Committee)
Feb 2006	Teaching and Design a two-day workshop on “Neonate and Neonatal Intensive Care Unit Environment” (Scientific Workshop Director) . USWR, Tehran, Iran.
Feb 2006	Teaching and Participation to five-day workshop on “Early Detection and Intervention on Developmental Disorder in Infancy”. Iran UMSHS.
Dec 2006	Participation on course for International Computer Driving License; WORD XP . Tehran, Iran.

Nov 2006	Participation on course for International Computer Driving Licence; INTERNET EXPLORER & OUTLOOK . Tehran, Iran.
Jul 2006	Participation on course for International Computer Driving Licence; WINDOWS & File Management . Tehran, Iran.
May. 2006	Participation on course for International Computer Driving Licence; INFORMATION TECHNOLOGY . Tehran, Iran.
Nov 2005	The First Seminar on “Oral-Motor & Feeding Problems in Infancy“, USWRS. (Scientific Seminar Director and Board of Director Committee)
Oct 2005	Teaching and Design a one-day workshop on “Assessment of Developmental Disorder in Infancy”. Tehran UMSHS. (Scientific Workshop Director)
Sep 2005	7 th International Congress of Pediatrics, Tehran, Iran. (Board of Director Committee)
July 2005	Teaching and Design a one-day workshop on “Neonate and Neonatal Intensive Care Unit Environment”. (Scientific Workshop Director), USWR, Tehran, Iran.
Jan. 2005	Participation on 4 th Congress of Iranian Society of Child Neurology, Tehran, Iran.
Nov 2004	Participation on 3 rd Iranian congress of Genetic Disorders & Disabilities, Tehran, Iran.
Nov 2004	Two-days workshop on “Educational, Medical and Rehabilitation Protocol of Down syndrome” (Board of Director Committee)
Oct. 2004	Two-days workshop on “How to write biomedical articles in English”, Tehran, Iran.
Oct 2004	Participation on one-day workshop on “How to write CVs , letters and recommendations”, Tehran, Iran.
Oct. 2004	Participation on one-day workshop on “How to prepare Conference Poster Presentation”, Tehran, Iran.
Oct 2004	16 th International Congress of Pediatrics, Tehran, Iran. (Board of Director Committee)
June 2004	Teaching and Design , a two-day workshop on “Early Detection and Intervention”. Shaheed Saddoghi University of Medical Sciences and Health Services (Scientific Workshop Director)
Nov. 2003	Participation on one-day seminar on “Neurorehabilitation”, Tehran, Iran.
Nov. 2003	Participation on three -day workshop on “Neurorehabilitation, Tehran, Iran.
Sep. 2003	Design and Conducted, a two-day workshop on “Pediatric Developmental Disorder Diagnosis”. Shaheed Beheshti UMSHS. (Scientific Workshop Director), Tehran, Iran.
July 2002	Teaching and Design, A one-day workshop on “High Risk Infant”, West Health Network of Iran UMSHS.
April 2001	Participation on five-day workshop on “Disability, Diagnosis and Early Intervention” UNICEF, Tehran, IRAN.

June. 2001	Participation on “ 5 th International Congress on CEREBRAL PLSY by ICNA, Bled, Slovenia.
Oct 2000	Participation on 4-days workshop on “Early Detection and Intervention in early infancy” under auspices of International Child Neurology Association (ICNA), Tehran, IRAN.
Sep 2000	one-day workshop on “Cerebral Palsy”, Australian Academy of Cerebral Palsy and Developmental Medicine, Melbourne , Australia.
Dec 1998	Annual Congress of Iranian Society of Pediatrics. Tehran, Iran. (Member of Board Scientific Committee)
June 1998	Participation on 4 days workshop on” Determination of construction of clinics of USWR”.
Feb. 1996	Participation on 2-day workshop on “Genetic Counseling”, Genetic Research Center, Tehran, IRAN.
Feb.1996	Participation on 3-days workshop on “Human Cytogenesis”, Genetic Research Center, Tehran, IRAN.
May 1995	Participation on 4 days workshop on “ Breastfeeding & rooming in”, Shahid Beheshti UMSHS, Tehran, Iran.
Sep. 1991	Participation on 3-days workshop on “ Research Method”, Shahid Beheshti UMSHS, Tehran, Iran.

Employment / Professional Experience

1994 - Present	Research Professor of University of Social Welfare and Rehabilitation Sciences (SWRU), Tehran, IRAN.
2021- Present	Head of Pediatric Neurorehabilitation Research Center (Affiliated to SWRU).
2017-Present	Editorial Board Member for BMC Pediatrics Journal.
2021- Present	Member of Research Committee of University of Social Welfare and Rehabilitation.
2007- present	Main member of Pediatric Neurorehabilitation Research Center (Affiliated to SWRU).
2003-2011	Secretary of Research Committee of Pediatric Neurorehabilitation Research Center (Affiliated to SWRU).
2008-2010	Member of Research Committee of University of Social Welfare and Rehabilitation
2004-2008	Member of Strategic Committee of Social Welfare and Rehabilitation University.
2005-present	Active member of Research Faculty (Affiliated to SWRU).
2010-2012	Member of Research Committee of Children with Special Needs Research Faculty of Education Ministry.
2007- 2008	Head of Asma Educational, Research and Rehabilitation Center (Affiliated to SWRU)

2007- 2001	Head of Pediatric Neurorehabilitation Research Center (Affiliated to SWRU)
2007-present	Active member of Peer Review Committee of University of Social & Rehabilitation Sciences.
2006-2007	Head of Psychology & Special Needs Research Center (Affiliated to SWRU).
2005-2009	Active member of Research Committee of Psychology & Special Needs Research Center (Affiliated to SWRU).
2005-2010	Head of Research Committee of Asma Rehabilitation Center (Affiliated to SWRU).
2002-present	Director of Asma Child Developmental Disorder Center (Affiliated to SWRU).
2002-present	Head of Neurorehabilitation Team in Asma Child Developmental Disorder Center (Affiliated to SWRU).
2003-2004	Member of Board Director Committee of “Early Detection and Intervention of developmental disorder in Iran”.(Affiliated to Valiasr Rehabilitation Foundation)
2001-2002	Head of Saba Educational, Research and Rehabilitation Center (Affiliated to SWRU)
2000-2001	Member of Board Directory of University of Social Welfare and Rehabilitation Sciences.
1996-2001	Consultant to the Rehabilitation and Treatment Deputy of SWRU on Educational programs.
1998-2001	Head of Karaj Comprehensive Rehabilitation Center (Affiliated to SWRU).

2025

Soleimani F, Hassanati F, Ghorbanpour Z, Vahedi M, Azari N, Kraskian A, Nobakht Z. Concurrent Validity of the Bayley Screening and the Bayley-III in Persian-Speaking Children. Iran J Child Neurol. 2025;19(2):51-64. doi: 10.22037/ijcn.v18i3.43167. Epub 2025 Mar 11. PMID: 40231274; PMCID: PMC11994134.

Papers Presented in Conferences

Promotional Programs of Early Childhood Development. Proceeding of the 36th International Congress of Pediatrics- Oct 2024 Neurology & Psychiatry Abstracts.

Applied Research Important. 25th Annual Iranian Congress of Occupational Therapy. Oct 2024.

Neurodevelopment, Early Detection and Early Intervention in Children with Neurodevelopmental Disorder. 13th neuroscience Congress. Dec 2024.

A Comparison Study of the Tehran Norms to the Reference Norms of the Bayley scales of infant and toddler development (Bayley III). Proceeding of the 35th International Congress of Pediatrics- Oct 2022 Neurology & Psychiatry Abstracts.

Standardization of the Bayley scales of Infant and toddler Development for Iranian children. Proceeding of the 34th International Congress of Pediatrics- Oct 2022 Neurology & Psychiatry Abstracts. (Oral Presentation)

Cut off point Determination of the Persian version of Bayley Scales of Infant and Toddler Development III in 1-42 months old children in Tehran city. **29th International Congress of Pediatrics**- Oct 2017. (Oral Presentation)

Bayley Scales of Infant and Toddler Development, Third Edition (Bayley-III). **26th International Congress of Pediatrics**- Oct 2014. (Oral Presentation)

Reliability & preliminary validity determination of the Iranian(Persian) version of Bayley Scales of Infant and toddlers Developmental screening test (Third edition) in 1-42 months old children in Tehran city. **25th International Congress of Pediatrics**- Oct 2013 (Oral Presentation).

Predicting developmental disorder in infants using artificial neuronal network1. **24th International Congress of Pediatrics**- Oct 2012 (Oral Presentation).

Spontaneous motor activity as a diagnostic tool. **23th International Congress of Pediatrics**. Oct 2011 (**Director of Panel Discussion**).

Cerebral palsy and associated risk factors. **23th International Congress of Pediatrics**. Oct 2011 (Oral Presentation).

High risk infant and early intervention programs. **First Symposium on feeding disorder in infants**, Tehran, Iran, Oct 2009. (**Director of Panel Discussion**).

Early Intervention & Objectives. **20th International Congress of Pediatrics**, Tehran, Iran, 9-13 Oct 2007 (Oral Presentation).

Fetal and perinatal asphyxia and neurodevelopmental outcome. **Annual Congress of Iranian Society of Pediatrics**, Tehran, Iran, April, 2008 (Oral Presentation).

New advances in the care of prematurity. **Congress of Iranian Scientific Society of Perinatology**, Imam Khomeini Hospital, Tehran, Iran. Feb, 2008 (Panel Discussion).

Neurodevelopmental Disorders. **19th International Congress of Pediatrics**, Tehran, Iran, 18-22 Oct 2007 (**Director of Panel Discussion**).

Perinatal Asphyxia. **1th Congress of Iranian Scientific Society of Perinatology**, Imam Khomeini Hospital Symposium Center, Tehran, Iran, Jun, 2007 (Panel Discussion).

Risk Factors in Infant Developmental Disorder. **Annual Congress of Iranian Society of Pediatrics**, Tehran, Iran, May, 2007 (Oral Presentation).

Cerebral Palsy in Iranian Infants. **6th Symposium on Developmental Neurology – Early Developmental Transformation**. Graz, Austria, May, 2007 (Poster Presentation).

Discharge Plan of Neurodevelopmental follow-up of premature neonate, **Congress of Premature Discharge Follow-up**, Tehran, Iran, 14Feb 2007(Oral Presentation).

Developmental Intervention in the NICU. **The Second workshop of Developmental Care In The Neonatal Intensive Care Unit**. 14 Nov, 2006. USWR, Tehran, Iran. (Oral Presentation)

Developmental Intervention in the NICU. **The first workshop of Developmental Care In The Neonatal Intensive Care Unit**. 7 Nov, 2006. USWR, Tehran, Iran. (Oral Presentation)

Neurodevelopmental outcome of high risk neonates. **18th International Congress of Pediatrics**, Tehran, Iran, 27Oct – 1 Nov 2006 (**Director of Panel Discussion**).

Neurodevelopmental outcome of premature, Low Birth Weight Infants. **18th International Congress of Pediatrics**, Tehran, Iran, 27Oct – 1 Nov 2006 . (Oral Presentation).

Early intervention of neuro-behavioral disorders. **Annual Congress of Iranian Society of Pediatrics**, Tehran, Iran, May, 2006 (Panel Discussion).

Neuro-developmental evaluation in children. **Annual Congress of Iranian Society of Pediatrics**, Tehran, Iran, May, 2006 (Oral Presentation).

Early Diagnosis on Children with Intellectual Disability. **The 5th Congress on Children with Intellectual Disability**, USWRS. Tehran, Iran, Nov 2005
(Panel Discussion).

Feeding Team. **The First Seminar on“Oral-Motor & Feeding Problems in Infancy“**, USWRS. Tehran, Iran, Nov 2005. (Oral Presentation)

Early Intervention on Oral-Motor & Feeding Problem in Infancy. **The First Seminar on“Oral-Motor & Feeding Problems in Infancy“**, USWRS. Tehran, Iran, Nov 2005.(Director of Panel Discussion).

Normal Development: Its Variation and Red flags. **17th International Congress of Pediatrics**, Tehran, Iran, Sep-Oct 2005.(Director of Panel Discussion).

High Risk Register Follow-Up. **17th International Congress of Pediatrics**, Tehran, Iran, Sep-Oct 2005(Panel Discussion).

Early Intervention Programs. **4th Congress of Iranian Society of Pediatric Neurology**, Bandar Abbas, Iran, Jun 2005(Panel Discussion).

Teamwork in infant developmental disorder. **10th Iranian Occupational Therapy Congress**, Tehran, Iran, October 2004 (Panel Discussion).

High Risk Infant Follow Up. **16th International Congress of Pediatrics**, Tehran, Iran, October 2004(Director of Panel Discussion).

Early Detection and Intervention in Developmental Disorder. **15th International Congress of Pediatrics**, Tehran, Iran, October 2003(Panel Discussion).

How Early is too late. **Annual Congress of Iranian Society of Pediatrics**, Tehran, Iran, May2003 (Panel Discussion).

Developmental Screening in infancy. **Joint Congress of ICNA and AOCNA**, Beijing, China, September 2002 (Poster Presentation).

Early Intervention in Down Syndrome. **Seminar of Chromosomal Disorder**, Tehran, Iran, October, 2001 (Oral Presentation).

Why we need early detection. **Advances in Pediatrics Congress**, Tehran, Iran, Feb, 2000 (Panel Discussion).

Research Interests

- Pediatric developmental disorder screening methods,
- Health Promotion
- Early Childhood Development
- Neurodevelopmental Care in NICUs
- Early detection and follow-up of developmental disorder,
- Neurodevelopmental High risk infant follow-up.
- Trans-disciplinary rehabilitation teamwork,
- Down syndrome (Medical follow-up).
- Massage therapy of infant.

Research Activities

- | | |
|-------------|---|
| 2024 | Manager of Megaproject “Developing and evaluating the effectiveness of the national protocols for early childhood development in Iran “(Grant of Research Deputy of SWRU). |
| 2024 | Major coworker of Megaproject “Age standardization of language indicators in Persian-speaking children aged 1.5 to 6 years in Iran “(Grant of Research Deputy of SWRU). |
| 2023 | Major coworker of Research “The study and classification the theses, research projects, articles and books in the field of pediatric occupational therapy of Iranian universities of medical sciences “(Grant of Research Deputy of SWRU). |
| 2022 | Manager of Research “Screening tools of Learning Disorder among children: a Systematic Review “(Grant of Research Deputy of SWRU). |
| 2022 | Manager of Research “Determining item sequence of the Persian version of the standardized Bayley test for Persian language children “(Grant of Research Deputy of SWRU). |

2023	Major coworker of Research “The study and classification the theses, research projects, articles and books in the field of speech therapy of Iranian universities of medical sciences about the development of communication, speech, language, swallowing, and their disorders in children “(Grant of Research Deputy of SWRU).
2022	Major coworker of Research “Identifying social factors affecting children's access to speech therapy services (qualitative phase) and designing a questionnaire on children's access to speech therapy services and social factors related to it during the COVID-19 pandemic" (quantitative phase) in Tehran and Shiraz “(Grant of Research Deputy of SWRU).
2022	Manager of Research “Designing and launching a registration system for children and adolescents with autism spectrum disorders at the University of Social Welfare and Rehabilitation Sciences“(Grant of Research Deputy of SWRU).
May 2022	Manager of Research “Tele rehabilitation for children with neurodevelopmental disorders during Covid-19 pandemic: A scoping review “(Grant of Research Deputy of SWRU).
Oct 2021	Manager of Research “Impact of Covid-19 pandemic on health and access to healthcare and rehabilitation services in children with developmental disabilities: A scoping review “(Grant of Research Deputy of SWRU).
Oct 2021	Manager of Research “The Bayley III examiner performance Assessment Instrument: Development and psychometric properties “(Grant of Ministry of Health and Medical Education - Children's Health Office).
Oct 2021	Manager of Research “Validity & reliability determination of the persian version of Adaptive behavior assessment system (ABAS) in 1-42 months old children in Tehran city “(Grant of Research Deputy of SWRU).
Oct 2020	Manager of Research “Validity & reliability determination of the Persian version of Greenspan Social-Emotional Growth Chart (GSEGC) Questionnaire in 1-42 months old children in Tehran city“(Grant of Research Deputy of SWRU).

Jul 2019	Manager of Research “Effects of NICU developmental care on neurodevelopment of preterm infants: A systematic review and meta-analysis” “(Grant of Research Deputy of SWRU).
April 2014	Manager of Research “Cut point determination of the Persian version of Bayley Scales of Infant and toddler Development III test in 1-42 months old Iranian children.”(Grant of Ministry of Health and Medical Education - Children's Health Office).
Dec 2013	Manager of Research “Cut-off Point determination of the Iranian (Persian) version of Bayley Scales of Infant and toddlers Development III Diagnostic test in 1-42 months old children in Tehran city.”(Grant of Research Deputy of SWRU).
Dec 2013	Manager of Research "Development and psychometric testing of quality assessment scale of neuro- developmental cases in neonatal intensive care units". .“(Grant of Research Deputy of SWRU).
Dec 2013	Manager of Research “Cut-off Point determination of the Iranian (Persian) version of Bayley Scales of Infant and toddlers Development III Screening test in 1-42 months old children inTehran city.”(Grant of Research Deputy of SWRU).
Jun 2013	Manager of Research“Explaining the needs of students and graduates of neonatal subspecialty for neuro-developmental care in neonates and infants. (Grant of Research Deputy of SWRU and TUMS).
Jan 2012	Manager of Research “Validity & reliability determination of the Iranian (Persian) version of Bayley Scales of Infant and toddlers Development III Screening test in 1-42 months old children in Tehran city.”(Grant of Research Deputy of SWRU).
March 2011	Manager of Research “Application of Artificial Neuronal Network Model for Predicting of Movement Disorder in Infancy " (Grant of Research Deputy of SWRU).

March 2011	Major coworker of Research "The Effect Of Lift Insert On Static Balance And Kinetic Parameters Of Standing In Children With Hemiplegic Cerebral Palsy". (Grant of Research Deputy of SWRU).
March 2011	Manager of research "Validity & reliability determination of Persian version of Bayley Scales of Infant Development III Diagnostic test in 1-42 months old children in Tehran city". (Grant of Research Deputy of SWRU).
March 2008	Major coworker of Research "Evaluation of Iranian children developmental promotion" (Grant of Research Deputy of SWRU).
March 2008	Manager of research "A study of 1-6 years old children with cerebral palsy in Asma Developmental Center in terms of type, etiology and associated disorders on 2007-2008. (Grant of Research Deputy of SWRU).
August 2005	Major coworker of Research " The efficacy of active exercise therapy based on sensory-motor integration on rate and degree of recovery in patients with obstetrical Brachial palsy ". (Grant of Research Deputy of SWRU).
August 2005	Major coworker of Research "The evaluation of acknowledge and attitude on early intervention of infant developmental disorders in pediatric and rehabilitation science students".(Grant of Research Deputy of SWRU).
August 2005	Manager of Research "Evaluation of developmental disorder risk factors in infants that referred from North and East of Tehran Health Centers".(Grant of Research Deputy of SWRU).
Sep 2004	Major coworker of Research "The Study of Care system responsiveness to fewer than 6 years old children with development disorder", (Grant of Research Deputy of Tehran UMSHS).
2004-present	Cooperation with Minister for Health and Medical Education, UNICEF and Iranian Society of Neonatology on " high risk register follow-up program ".
2004-present	Active member of scientific Committee of Down syndrome in Iran (affiliated to Research Deputy of SWRU).

2000-2002	Curriculum writing for developmental and behavioral Pediatric Fellowship (Treatment and Rehabilitation Deputy of SWRU).
2000-2002	Cooperation with Geriatric Curriculum Committee for Fellowship Course (Treatment and Rehabilitation Deputy of SWRU).
March 2000	Manager of Research “motor developmental delay screening of 4-18 months infants of Karaj city” (Grant of Research Deputy of SWRU).

Membership of Professional Associations

2006-Present	Member of the Iranian Scientific Society of Perinatology.
1999-Present	Member of the Iranian Society of Pediatrics.
1996-Present	Member of the Iranian Medical Council.
2019- Present	Editorial Board Member for BMC Pediatrics.

Theses directed, Supervised or consulted

Supervisor of MS theses “The effect of combined PIOMI and music therapy on feeding progression of premature infants ”. 2020-2022. Speech & Language Therapy Department of SWRU.

Co-Supervisor of PhD theses " Designing a Vestibular Stimulation Package for preterm infants admitted at Neonatal Intensive Care Unit (NICU) and the effects of its implementation on motor performance and behavior of premature infants admitted at the NICU:A Single Blind Randomized Clinical Trial (RCT)", 2020-2022. Pediatric neurorehabilitation research Center, USWR.

Supervisor of Specialty theses "The assessment and comparison of general movements of IUGR and non-IUGR premature infants", 2017-2019. School of Medicine of Tehran UMSHS.

Co-Supervisor of PhD theses "Designing and testing a model of familial and social factors contributing to mental health of adolescents", 2015-2019. Pediatric neurorehabilitation research Center, USWR.

Supervisor of PhD theses "Designing a Neurodevelopmental Care Interventional package of Preterm infants in NICU (from birth to first month corrected age) for parents and

determining its effectiveness on developmental outcomes in infancy", 2015-2018. Pediatric neuror rehabilitation research Center, USWR.

Supervisor of PhD theses "Development and psychometric testing of quality assessment scale of neuro- developmental cases in neonatal intensive care units", 2013-2016. Pediatric neuror rehabilitation research Center, USWR.

Co-Supervisor of PhD theses "The Study of Care system responsiveness to under 6 years old children with development disorder", 2004-2007. School of Public Health of Tehran UMSHS.

Co-Supervisor of MS theses "Comparison of two rehabilitation method on motor quotient of 4-12 months infants with motor developmental delay", Nov 2004-5, Occupational Therapy Department of SWRU.

Co-Supervisor of MS theses "Evaluation of effectiveness of Bekmans stimulation method on hospital duration in premature neonates". 2010-11. Speech & Language Therapy Department of SWRU.

Co-Supervisor of MS theses "The effects of massage on infant growth and development". 2009-2010. Nursing & Midwifery Faculty of Shahid Beheshti University of Medical Sciences and Health services.

Co-Supervisor of MS theses "Determining correlation between High risk pregnancy and developmental delay in 4-60 months children". 2010. Nursing & Midwifery Faculty of Shahid Beheshti University of Medical Sciences and Health services.

Supervisor of MS theses "Validity and Reliability of Persian version of caregiver priorities and child health index of life with severe developmental disabilities questionnaire ". 2010-11, Occupational Therapy Department of SWRU.

AWARDS

Outstanding researcher in University of social welfare and rehabilitation sciences, 2011.

Honored with the Motahari Festival Award, granted for the most outstanding educational process at the university, highlighting excellence in teaching innovation and curriculum development.
