

ITA					
Name: Morteza		Department: Speech Therapy			
Surname: Farazi					
Title/Degree & Affiliation: PhD of Speech Therapy /Associate Professor of University of Welfare and Rehabilitation sciences					
Research Interests: - Speech dysfluency in children and adults (stuttering and cluttering) - Speech motor disability (dysarthria, dysfluency) - Swallowing disorder(dysphagia)					
Scopus Profile: https://www.scopus.com/authid/detail.uri?authorId=57200253901				Updated: 2025/07/20	
Google Scholar Profile: https://scholar.google.com/citations?user=Jl0BbywAAAAJ&hl=en					
Personal Information			Nationality: Iranian		
Office address: Department of speech therapy, University of Social Welfare & Rehabilitation Sciences, Kudakyar St., Daneshjo Blvd., Evin, Tehran, Iran Tel: (21) 22180043 Fax: (21) 22180068			E-mail: mo.farazi@uswr.ac.ir mfarazi80@gmail.com Home Page: http://Farazi.uswr.ac.ir University URL: http://www.uswr.ac.ir		
Education					
Date	Degree	Duration	Institution	Country/City	Major
2013,9,4	PhD	4 years	University of Social Welfare & Rehabilitation Sciences	Iran/ Tehran	Speech therapy

1994,11,8	M.A.	2 years	Allameh Tabatabai University, Faculty of Psychology & Educational	Iran/Tehran	Exceptional children
1991,7,10	B.Sc.	4 years	Iran Medical University, Faculty of Rehabilitation	Iran/Tehran	Speech therap
Faculty member					
Year	Position	Institution/Course		Location	
2023	Associate professor	University of Social Welfare & Rehabilitation Sciences		Iran/Tehran	
2013-2023	Assistant professor	University of Social Welfare & Rehabilitation Sciences		Iran/Tehran	
2008-2013	PhD student university lecturer	University of Social Welfare & Rehabilitation Sciences		Iran/Tehran	
1998-2008	University lecturer	University of Social Welfare & Rehabilitation Sciences		Iran/Tehran	
Field of Specialization					
• Dysfluency (stuttering and cluttering) • Speech motor disability (dysarthria) • Swallowing disorder (dysphagia)					
Language Ability					
- Persian - English					
Teaching Experience					
• Theoretical basics of stuttering and its treatment methods (for PhD students) • Speech dysfluency in children and adults (for M.Sc. students) • Articulation and phonological disorder (for M.Sc. students) • Speech dysfluency in children and adults (for B.Sc. students)					

• Speech motor disability (for B.Sc. students)				
• Differential diagnosis of speech and language disorders (for B.Sc. students)				
• Clinical methods in speech and language disorders (for B.Sc. students)				
• Consulting in speech therapy (for B.Sc. students)				
• Articulation and phonological disorder (for B.Sc. students)				
Administrative Responsibilities				
Year	Position	Duration	Institution/Course	Location
• Head of Speech Therapy Department, Rofiedeh Rehabilitation Hospital; from 2015 to at the moment				Iran/Tehran
• Collaborator of research projects; USWR; from 2013 at the moment				Iran/Tehran
• Executor of research projects; USWR; from 2018 at the moment				
Academic and Scientific Responsibilities				
Year		Responsibility		
• Supervisor of speech therapy clinic from 1990 to at the moment Member				
• Head of Speech Therapy Department, Rofiedeh Rehabilitation Hospital; from 2015 to at the moment				
• Member of editorial board of Journal of paramedical sciences and Rehabilitation from 2017-2020				
• Agent of continuing teaching of health ministry and medical education from 2020-2022				
• Member of scientific committee of Congresses of speech therapy of USWR from 2014-2018				
• Member of research committee of department of speech therapy of USWR from 2015 to at the moment				
• Supervisor and advisor of thesis of PhD, M.Sc. students of USWR from 2017 to at the moment				
Scientific Membership				
Year	Association, Society			Location
2011	A member of Iran’s scientific association of Speech therapy			Iran/Tehran
2001	Medical Councill, I.R. IRAN			Iran/Tehran
